We are excited to inform you that John Hersey High School has agreed to act as the venue for your upcoming hackathon on April 15, 2023. We understand the importance of this event and are thrilled to be able to support your efforts in promoting innovation and creativity in the tech community.

John Hersey High School is committed to providing you with all the necessary support to ensure the success of your event. We are willing to designate 3 classrooms and a hallway to provide ample room for 90+ high school students.

We believe that this event will be a great learning experience for them, and we are confident that they will be able to contribute to the success of the event.

We look forward to working with you to make Innovate Chicago a memorable and productive event.

Best,

Robert Brown
